The Yacht Cruise Experience

Island-hopping by mega yacht and motor sailer, with Variety Cruises

GREECE • CROATIA & MONTENEGRO • ITALY & MALTA • SEYCHELLES • CAPE VERDE • WEST AFRICA • FRENCH POLYNESIA

THE YACHT CRUISE DIFFERENCE

Authentic island hopping, yacht style

Mega yacht cruising is for travellers who want the destination, rather than the ship, to be the main event. No cabarets, no casinos and no shopping malls: instead a relaxed yacht, good food, like-minded company and far more time ashore. If you are used to larger ships, here is why a yacht cruise feels so different.

We get you closer, with less queuing

Our yachts are small enough to tie up on the waterfront, often in harbours big ships simply cannot get into. You walk straight off onto the quay, and we time our visits to major sites so that they do not coincide with the big cruise ships.

The company you keep

The largest yacht in the fleet has 36 cabins and carries 72 guests; the smallest has 17 cabins and carries 34. You get to know your fellow guests and the crew, and the Captain is usually happy to show you around the bridge.

Swimming straight from the yacht

There are no pools on board, and we prefer it that way. When it is time for a swim the Captain finds calm, clear water, drops anchor and you step off the swimming platform. Some yachts carry kayaks, paddleboards and snorkelling gear.

Small ships, light footprint

Small yachts do not change the communities they visit. Single-use plastics are being removed from board, and beach clean-ups and community projects help to protect the places we have the privilege to visit.

GREECE • THE CYCLADES

Jewels of the Cyclades

M/S Galileo • 7 nights at sea • 10 days holiday • Sails Apr–Oct

If Greece was the cradle of civilisation, the Cyclades is where island-hopping began. This Cyclades sailing cruise is the perfect introduction to the Aegean, combining iconic destinations known for their hedonistic charm with hidden gems so small that big ships have yet to find them.

Whenever possible, the Captain hoists the sails aboard M/S Galileo, and our 'small is beautiful' philosophy takes you off the beaten path to the region's lesser-known treasures.

Over 10 days, the itinerary unveils a kaleidoscope of Greece, blending the splendour of the Golden Age with the charm of contemporary island life.

GREECE • THE PELOPONNESE & DELPHI

From Antiquity to Byzantium

M/S Galileo • 7 nights at sea • 10 days holiday • Sails Mar–Nov

Few civilisations shaped Europe like the Greeks and Byzantines. Aboard M/S Galileo, a classic motor sailer carrying just 49 guests, this 8-day small-ship cruise explores the ancient sites of the Peloponnese and mainland Greece, guided throughout by resident historian Eugenia Alexiadou, a Byzantine Art specialist.

The itinerary takes in Epidaurus, Nafplion, Mycenae, Ancient Olympia, Delphi and the Mani Peninsula – places the big cruise ships cannot reach – with exclusively guided excursions for your group and no crowds.

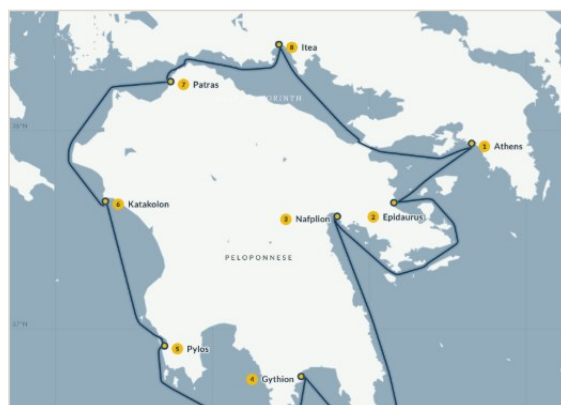

Byzantium endured for over a thousand years and left a deeper mark on the modern world than most history books acknowledge – and Eugenia leads every excursion in person.

ROUTE

Athens, Epidaurus, Nafplion, Gythion, Pylos, Katakolon, Patras, Itea, the Corinth Canal and back to Athens

ATLANTIC • CAPE VERDE

The Islands of Cape Verde

M/Y Harmony V • 7 nights at sea • 10 days holiday • Sails Nov–Mar

This Cape Verde cruise reveals an archipelago with a captivating mix of African and Portuguese heritage. Santiago, once a Portuguese colonial and slave-trading outpost, became the heart of this volcanic chain. As other islands were settled over time, a unique blend of cultures emerged that is still reflected in the architecture, food, customs and traditions.

With a pleasant year-round climate, Cape Verde offers an array of breathtaking landscapes, from verdant mountain ranges and lush hills to volcanic terrain and wide, deserted beaches – all within easy reach.

The harbours and towns of Cape Verde exude warmth and hospitality, with a refreshingly natural and undiscovered atmosphere.
